

## Joshua Wong

**Work Address:** (working online at the moment)

**Phone:** 04 1505 8010

**Email:** [18298042@student.curtin.edu.au](mailto:18298042@student.curtin.edu.au),

Joshua.wong1196@gmail.com

### Brief Summary

**Education:** BEng (Hons) Chemical Engineering, Curtin University

**Research interests:** Multiphase CFD Modelling, LNG Process Modelling

**Thesis title:** Optimization of the Performance of Ambient Air Vaporizers by Reducing Frost Formation

**Supervisors:** Professor Vishnu Pareek, Dr. Biao Sun

**Publications:** B. Sun, J. Wong, D. Wadnerkar, R. P. Utikar, V. K. Pareek, and K. Guo, "Multiphase simulation of LNG vapour dispersion with effect of fog formation," Applied Thermal Engineering

**Conferences:** -
